

Experience

The best way to learn a language is to have a conversation. Therefore it is our approach to provide for you a variety of opportunities apart from the teaching of a foreign language so that you can apply what you have learned for all practical purposes. For that to happen, we have chosen appropriate partners on the spot who will equip you with a lot of knowledge and who keep available thrilling topics in an amazing environment.

Bremerhaven

The German language is virtually spoken without any dialect at this place

joy of learning by means of a great learning environment, enjoyable ambient temperature and lots of fresh air

Appropriate price level for catering, leisure activities and much else

terrific maritime environment and maritime attractions

short distances of a small town with the atmosphere and experiences of a metropolis

Accommodation

The havenhostel is the prime address for young travellers in Bremerhaven. It provides an innovative and interesting accommodation to stay overnight in comfortable rooms and about 262 beds on four floors. The havenhostel stands for the service and comfort of a hotel and the open-mindedness of a hostel at affordable prices.

Stay, live, take lessons under one roof

The class rooms of our haven language school are placed at the havenhostel as well. So you don't have long distances and you save time to spend on your own activities. And who wants to have a day off, simply uses the lounge with free Wlan or the games room to chill out.

haven language school – teaching of a foreign language arranged in a terrific environment

Our focus is on learning the German language. The language service is above all aimed at people who want to prepare for a study stay or an employment of labour in Germany.

What we have to offer: teaching units which can be combined with various add-on programmes such as cultural visits, adventure trips, sports activities and a lot more.

Apart from the theoretical learning of the language you have the opportunity to use an attractive learning environment and many exciting free time activities in order to put into practise what you have learned.

So your stay at the haven language school becomes a great experience!

towards new wor(l)ds!
